The Division of Higher Learning of Associated Beth Rivkah Schools does not utilize an Ability to Benefit test for admitting students.

The Division of Higher Learning of Associated Beth Rivkah Schools seeks to admit students with varied backgrounds. Academic competence is the major consideration in student selection. However, students' personal qualities, abilities, and contributions to school life are also considered.

Once an application and related documentation have been reviewed and deemed acceptable, the applicant is invited to a personal interview with the Dean or her representative.

The admissions interview is an opportunity for the Dean, or an assigned representative, to assess the student's compatibility with the rest of the student body, her general level of maturity to undertake post-secondary studies, as well as her personality traits. It is also aimed at providing the applicant with the opportunity to inquire about the school from an official representative of the academic department of Division of Higher Learning of Associated Beth Rivkah Schools.

During the interview, the student describes her high school studies, subject by subject. The applicant will then select one of a choice of texts to read, explain, and discuss with the interviewer. Finally, the candidate is inquired as to her educational objectives. Additional references and/or recommendations may be requested in order to evaluate the applicant conclusively.

At the conclusion of the admission process, applicants are notified of the decision of the Division of Higher Learning, in writing. If accepted for enrollment, the applicant will then be asked to complete an admission form. Appeals of the decision may be made to the Office of the Dean prior to the beginning of the semester.
