Letter from the Executive Director

Dear Parents, שיחיו

Bricks. That is the *buzz word* around Bais Rivkah these days.

As we open a new chapter in the expansion of our school, there is something deeper that is taking center stage.

If you examine the word for brick in *Hebrew*, “לבנה”, you will notice that its root is בן, a child. As we build our building, your child, our child, the *Rebbe’s* child, is being built up simultaneously. Just as bricks are the building blocks of structures, *yiddishe kinder* are the building blocks of the world.

While building a new building to contain more classrooms, our teachers are building up your children to become resilient *Bnos Chabad*.

Nearing the *Yomtov* of *Shavuot*, it is significant to note that the *yidden* were *zoche* to the revelation at *Har Sinai* of “כמעשה לבנת הספיר” (משפטים: כ"ד). There was a **sapphire brick**, nestled under the throne of *Hashem*. *Bnei Yisroel’s* accomplishments are encapsulated by the *Aibershter* into the form of a brick, symbolizing their hard toil and labor to reach that milestone.

The brick of the *Aibershter*, is one of precious stone, whose blue hue reflects the color of *Shomayim*. Why sapphire? The *Alter Rebbe* explains that *Hakadosh Baruch Hu* gives *Bnei Yisroel gashmiyus* and it is our mission to transform it into *ruchniyus*. This is the heartbeat of the *chassidishe chinuch* at Bais Rivkah.

We thank you, dear parents, for participating in building the building that will in turn, **build** our children.

May we be *zocheh* to the ultimate בית המקדש השלישי of בנין immediately!

קבלת התורה בשמחה ובפנימיות,

A gezunten zummer!

Warmly,

Rabbi Sholom Goldstein

Preschool

חודש ניסן was alive and vibrant in our preschool classrooms! Once פורים concluded, our classrooms swiftly transformed into lively spaces that showcased, פסח and י"א ניסן, חודש ניסן.

All centers in the classrooms took on a חודש ניסן theme:

LIBRARY

Our libraries were filled with נוסף books, including the amazing "Pesach Big Book" by Dassie Pruss, "From Vine to Grape Juice" by Meish Goldish, and "Yael's Pesach Dance" by Malky Weinstock.

BLOCK CENTER

The blocks were transformed into מצוה tanks, and the children recreated the מצוה tank parade with them! We also used the blocks to create חמץ words like מצה and had fun sorting the different foods into the correct categories.

SENSORY TABLE

Our sensory tables were filled with activity, stocked with spray bottles, sponges, kvorts, and various מכות pieces! We used water to clean our classrooms, experience ורחץ, and mix מצה dough in less than eighteen minutes. We used sand to form חמץ letters, shape קידוש cups, and explore מצה sizes.

ב-א CENTER

In each classroom, ב-א was incorporated into multiple centers. We used sand to form ב-א words like the סימני הסדר, חמץ/מצה or פסח. We also matched the letters, sorted them, and the older classes practiced writing the letters.

SKILLS TRAYS

Our morahs were creative in putting together the פסח skills trays! Some classes focused on counting the מכות, while others had פסח sequencing cards with the steps for making מצה. Many classes worked on patterning, and some focused on fine motor skills, using tweezers to pick up and move פסח-themed objects.

DRAMA CENTER

The highlight of each classroom was the transformation of our drama centers into מצה bakeries! We painted the red bricks of the extra hot oven, donned aprons and hats, and covered the מצה poles with foil to take the מצה out of the oven. We used timers to help us keep track of the eighteen minutes, and some classes even had the opportunity to use a wheat grinder to make our own flour!

י"א ניסן

Leading up to י"א ניסן, we learned about the ten מבצעים, and many classrooms collected notes based on the מבצעים to wrap up as a birthday gift for the Rebbe. Before the פסח break, we held a י"א ניסן rally. After reciting the twelve פסוקים and giving צדקה, the מיידלעך took turns coming up to help complete one of the ten מבצעים posters, such as adding א-ב stickers to the לימוד תורה poster.

סדר פסח PRACTICE

To wrap up our entire pre-פסח experience, we sat down for a practice סדר. We created our own קערות and walked through each step of the סדר. Some מיידלעך showed great bravery by tasting the כרפס and the מרור, and the mini Snackers crackers looked so similar to מצות! The מיידלעך of Bais Rivkah Preschool were eager to experience everything they had learned during the special יום טוב of פסח!

Transition - Pre1A

אדר IN PRE-1A

- On ראש חודש אדר, Pre-1A and Transition students enjoyed an exciting balloon show by Yossi Balloons!
- Before פורים, the Pre-1A students had a blast at the אדר חודש carnival! We rotated from classroom to classroom, doing an exciting activity in each one, including face paint, decorating crowns, making Hamantaschen, and eating yummy cotton candy!
- On פורים morning, Pre-1A and Transition students and morahs came together in school. It was beautiful to see everyone dressed up in their costumes! Morah Zeesy (Zappy by Zeesy) led the girls in davening and the twelve פסוקים, followed by a מגילה reading and משלוח מנות exchange.

MODEL דָּר

In preparation for נֶסֶם, every class experienced a model דָּר, with each student setting up her own קערה and going through the steps of the דָּר. The מיידלעך were so excited to get real grape juice for the four cups, cracker "מצות," and real eggs, onions, and lettuce for their קערוט. The highlight was when the מיידלעך proudly said the מה נשתנה that they had been practicing for weeks before. The model דָּר was a great preparation for נֶסֶם!

MOTHER-DAUGHTER מלווה מלכה כיתה ב'

A highlight of this year was our annual כיתה ב' מלווה מלכה, a special mother-daughter evening of connection and inspiration. Elegant tables were set for mommies and students, full of tasty מלווה מלכה treats. Everyone enjoyed a story, learning a שיחה with their mothers, a החלטה take-away, and a fun game. The best part of the event was definitely the surprise performance by the מיידלעך, each girl singing for her role model, her mother. To top it all off, every mother was gifted with a photo magnet of a special mother-daughter moment. Only נחת!

סידור PARTY

After weeks and months of preparation and anticipation, the big day finally arrived – our כיתה א' were ready to receive their first סידור! With palpable excitement, our sweet first graders performed heartfelt songs about the beloved תפילות of תפילה. Mommies and Bubbies wiped away proud tears as they watched their daughters hold their precious new סידורים close!

We daven that as our תלמידות grow they will hold onto these warm feelings of closeness to ה' and always cherish the special מצוה of תפילה.

FAIR מבצעים

When it's hands-on, real learning happens. In honor of י' שבט, the lucky students of Bais Rivkah Primary enjoyed a first-time מבצעים fair! At each of the fun, carnival-style booths, another מבצע of the Rebbe was explored with a unique, fun, interactive activity. The girls had an absolute blast, and most importantly, they gained a new appreciation and understanding of these special מבצע campaigns. Shout-out to our Tzivos Hashem Base Commander, Morah Baylie Vail, who tirelessly planned and set up for this memorable event!

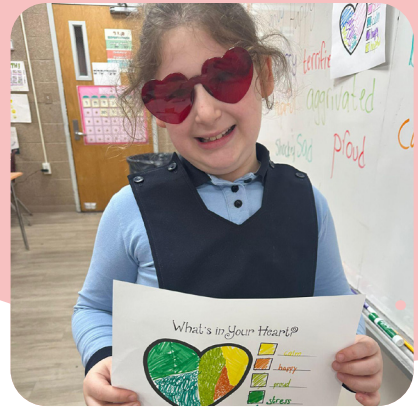

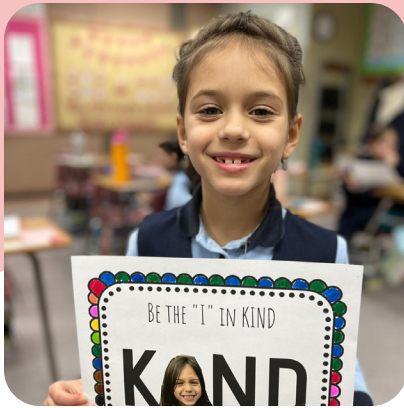

קודש ON SUNDAY

With great pride, the primary department marks our eighth year of teaching “קודש ON Sunday.” This year’s theme is “משיח וגאולה!” Now more than ever, yearning for the גאולה is constantly on our minds.

אבי once asked the Rebbe: can one take such a spiritual idea like משיח and teach children that when משיח comes they will get unlimited candy and sweets? The Rebbe answered: YES! Although when משיח comes these things will no longer be important, חינוך is about speaking to children in terms that are relevant to them. Candies and sweets spark a child’s imagination and enthusiasm, thereby heightening their אמונה and anticipation for משיח. Therefore, that is precisely how these concepts should be taught to them.

Guided by these directives from the Rebbe, our weekly גאולה and משיח lessons highlight concepts that excite and “pitch” the coming of the גאולה to our תלמידות. The Rebbe tells us that learning about the גאולה is a sure way to make it come sooner! Surely, in the זכות of our “קודש ON Sunday” lessons, we will merit the coming of משיח NOW!

BEING THE I IN KIND

The beauty and value of אהבת ישראל, making a positive impact on a fellow classmate through speech and actions, is highlighted in every part of our day! בהשגחה פרטית, grades one-three each found a unique opportunity to incorporate the importance of being the “I in kind” in their afternoon lessons.

In first grade, learning the letter “K” sparked a focus on the word “kind.” Practicing our growing skills in sounding out words and writing sight words, the girls exchanged complimentary notes that brought adorable smiles to their classmates’

faces. One class even made a chart and tracked one hundred acts of kindness that week!

In second grade, we reviewed the spelling and phonics pattern “ind.” Teachers incorporated lessons that discussed the impact of kind actions and words, literally having the power to change someone’s day for the better.

In third grade, a story in the reader led to the introduction of a “Five Finger Friendship Challenge.” In this challenge, the girls committed to displaying empathy and compassion through kind words, positive facial expressions and body language, creating a classroom environment in which every girl feels included.

FOURTH GRADE

EXPLORES POETRY

In fourth grade, we've been diving into the world of poetry, exploring different styles and learning how to use language creatively to enhance our writing. Each student is building a poetry portfolio, showcasing her unique voice and artistic expression. We are excited to celebrate all our hard work at our Annual Poetry Fair, where every student will have the opportunity to display and recite some of her favorite pieces!

FOURTH AND FIFTH GRADE PROJECTS

Each month at our school is filled with meaningful moments, exciting projects, and special achievements that bring learning to life. Our fifth grade students creatively decorate classroom bulletin boards, highlighting the messages of the special days throughout the year, adding color and inspiration to their classroom walls.

Meanwhile, our fourth graders dived into the spirit of חנוכה by creating their very own personalized Haggadahs, complete with cutouts, stickers, and their own unique touches. We were so excited to use them at our סדר!

SIXTH GRADE PRODUCTION

For the first time ever, our sixth grade students put on a spectacular production, titled “The Song of Majesty – The Life of Dovid HaMelech.” The production, directed by our dedicated Miss Herman, highlighted the legacy of דוד המלך and its relevance to our lives today – דוד מלך ישראל חי וקיים.

The sold-out audience was captivated as every girl delivered her lines with poise, performed beautifully choreographed dances, and sang with heartfelt passion. “The Song of Majesty” truly showcased our students’ incredible talents!

כ"ב שבט IN SEVENTH GRADE

In honor of כ"ב שבט, students participated in a special interactive workshop, titled "כל כבודה בת מלך פנימה" – The Art of Silence." In it, we explored the power and beauty of privacy. The workshop was followed by a hands-on art project, where students expressed and internalized the lessons learned through creative design.

TIMELY LESSONS IN SIXTH AND SEVENTH GRADE

In history class, our sixth and seventh grade students created timelines to provide context for world events. Timelines are an essential tool in history studies, as they allow students to visualize the chronological sequence of events, recognize patterns, and better grasp the cause-and-effect relationships that shape history. Most of all, this project helped them understand how global events influenced and intersected with our Jewish history.

EIGHTH GRADE SHABBATON

Eighth graders enjoyed an uplifting and memorable Shabbaton at the CGI United campground, accompanied by dedicated staff members and their families. From the moment they arrived, the atmosphere was filled with excitement and unity as students enjoyed workshops, inspiring davening, lively singing, and meaningful דברי תורה.

Friday night was an event the girls will never forget: Rabbi Flikshtein, our special guest speaker, inspired the girls with his incredible journey to becoming the Rebbe's שליח. As Shabbos came to a close, students left with cherished memories, a renewed sense of inspiration, and a strengthened bond with their classmates and teachers.

CHIDON GAMESHOW

The annual חידון לימוד תורתנו was launched six years ago ע"י R' Yonah Avtzon לע"נ. After weeks of delving into the Rebbe's שיחות, our Chidon Gameshow gave high school finalists the chance to share their learning with the rest of the school. The depth of the girls' knowledge was truly impressive, and we are incredibly proud of them!

י" שבט

In honor of י" שבט, we held a beautiful school-wide מלווה. A captivating presentation brought this year's מלכה to life, masterfully depicting the journey of the שכינה through poetry and dance. A moving song, written for this event, described the pivotal role of a רבי in bringing the שכינה down to this world. Rabbi Resnick, שליח to Tri Valley, California, gave a powerful address, about fulfilling the mission statement the רבי gave over to us so clearly. Student Dina Kazen played a beautiful rendition of די בבית on the cello, while twelfth grader Malka Resnick led the girls in taking on החלטות. The night ended with a פארברענגען led by Rabbi Resnick, leaving the crowd feeling energized and inspired to fulfill the Rebbe's הוראות.

PRODUCTION

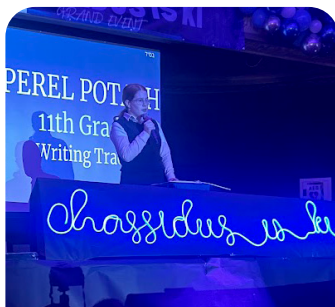

This year's high school production, titled "Trust", was nothing short of spectacular! Our students delivered a truly outstanding performance, bringing passion, talent, and heart to every scene. The breathtaking visuals, props, and beautiful vocals were masterfully executed. The dedication and hard work of all of those involved was evident, creating a show that was both captivating and inspiring.

The message of remaining steadfast in our אמונה and בטחון in the face of adversity was powerfully conveyed, leaving the audience with a deep connection and renewed sense of trust in the safety of ארץ ישראל and promise of גאולה.

REALITY CHECK

Exciting things are happening at Bais Rivkah High School! Our “Reality Check Technology Awareness Program” is in full swing, empowering girls to develop healthier relationships with technology. The theme for the month of שבט was “Reclaim Your Worth” – being in touch with our inherent worth, our נשמה, instead of depending on external validation from social media. Students who successfully completed the monthly missions earned a sweet reward – an ice cream truck came to BRHS during recess! Our mission for next month will focus on “Reclaim Your Connection” – nurturing meaningful connections with others beyond a device.

כִּי IS חֲסִידוּת

The כִּי IS חֲסִידוּת contest is a yearly highlight in BRHS! Students submitted poems, videos, artwork, and songs exploring the theme of how חֲסִידוּת is “כִּי קרוב” – close – and “key” to overcoming daily challenges and staying connected. The level of talent, creativity, and depth displayed was absolutely incredible, and all participants received a special prize. We are so proud of our girls!

Mazal tov to all our winners:

Grand Winner: Bryna Sudak, eleventh grade

Runner-up: Tzivia Sorkin, tenth grade

Writing Track Winner: Shaina Kugel, twelfth grade

Art Track Winner: Menucha Vita Gansburg, eleventh grade

Honorable Mentions: Mussie Greenberg, Aidel Klein, Freidy Steifel, Chava Sternberg, Mushka Landa, Adina Kumer, Miriam Golomb, Sara Reinetz, and Chaya Mushka Charytan

Grade Highlights

9TH GRADE

In the spirit of משנכנס אדר מרבים בשמחה, ninth grade enjoyed a פורים glow-in-the-dark party! The energetic Fun and Fit dance motivators led an unforgettable evening of music, שמחה, and אחדות. It was a wonderful way to kick off פורים שמחת פורים!

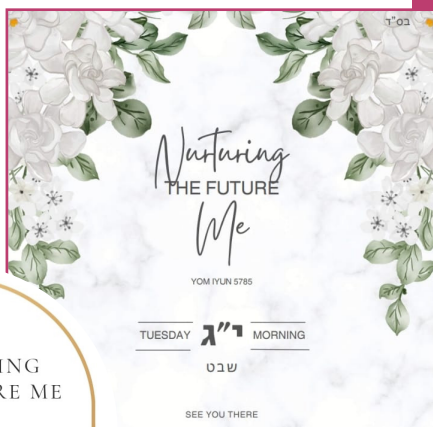

Ninth graders participated in a two-part series on כשרות, led by Rabbi C. Fogelman from OK Kosher. They had the opportunity to present questions on real-life כשרות scenarios, and left with a new understanding of the importance and deeper meaning of כשרות.

Each month, a group of students design the ninth grade bulletin board, showcasing a selected מצוה or מידה. Students are encouraged to take on החלטות pertaining to the theme of that month. Participating students have a chance to win Pizza with the Principal!

10TH GRADE

Tenth grade Shabbaton was incredible! Students welcomed שבט with a beautiful display with pictures and names of hostages to daven for. The program included a meaningful פארברענגען led by Mrs. Gitty Rapoport, Ted Talks by the students, a Stump the Teachers panel and a beautiful ניגונים. On מוצאי שבת, the girls were treated to a delicious מלווה מלכה, followed by a החלטה auction and dancing led DJ Shruach.

11TH GRADE

A meaningful eleventh grade יום עיון focused on preparing girls for their future role as Jewish mothers and leaders. The program began with an inspiring video of the רבי, highlighting the impact that a woman has on her home. Then, students participated in a teacher Q&A panel centered around being Lubavitch girls, followed by roundtable discussions about צניעות. Mrs. Marasow, ninth grade principal, shared invaluable insights on cultivating healthy relationships. The program concluded with self-care workshops focused on hair, makeup, and nutrition tips. Students had a great time, and learned so much!

12TH GRADE

Twelfth grade's Shabbaton was kicked off with a Friday snow tubing trip – what a blast! On Shabbos, the program included guest speakers Rabbi Glick, Rabbi Jacobson, and Mrs. Tammy Chayempour. At the conclusion of the Shabbaton packed with פארברענגען, activities, and workshops, each student received the book “On Purpose” by Rabbi Mendel Kalmenson, generously sponsored by Mrs. Tamar Pewsner. BRHS seniors agreed that this last high school Shabbaton had been unforgettable!

MOTHER-DAUGHTER CONCERT FEATURES

Ghaindy Plotzker

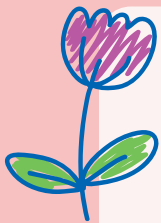

Over 1,200 Bais Rivkah mothers and daughters joined together for a heartwarming and high-energy Shaindy Plotzker concert. The occasion? A night of inspiration and entertainment, celebrating our very dedicated Bais Rivkah teachers!

MC Mrs. Sara Blau opened the night with the recitation of the Rebbe and Rebbetzin's קפיטלאך. Mrs. Mushky Yiftach, a Bais Rivkah parent, delivered a heartfelt tribute to the school's dedicated teachers. Then, the Harmony of the Heights Choir, directed by Mrs. Fraida Grossman, performed a moving performance of "Thank You Dear Morah."

Of course, excitement soared when popular singer Shaindy Plotzker took the stage! With arms around each other, girls sang along to her hit "Never Alone," followed by crowd favorites like "Geshmak to Be a Yid," "Tamid Ohev Oti," "Someday," and more. The room was alive with energy as everyone jumped to their feet, dancing and singing, united as one. It was a night to remember!
